High Risk Trading Product Disclosure: CFDs are complex financial products and use of leverage carries a high risk of losing money rapidly. Margin trading carries a high risk of loss and may not be suitable for all investors. You should consider the above information based on your own objectives, financial situation and risk appetite. You may lose some or all of your capital. We recommend that you seek independent advice and ensure you fully understand the risks before making an investment decision. Please read the relevant risk disclosure statement carefully before trading.
